MEMORANDUM FOR: Director of Training

THROUGH : Executive Officer

SUBJECT : Weekly Activities Report No. 5
Instructional Services Branch
18 March - 6 July 1960

I. SIGNIFICANT ITEMSA. Film Production1. Security Film

All shooting on this film has been completed with the exception of one scene which will be shot in the R&S auditorium on 7 July. The contract cameraman, [REDACTED] 25X1A9a [REDACTED] was released at the close of business on 24 June since it was felt that [REDACTED] was capable of shooting the few scenes remaining at that time.

25X1A9a For the record, [REDACTED] performed in a very satisfactory manner and has expressed a desire to work for us again if the opportunity presents itself.

25X1A5a The contractor, [REDACTED], "synced" up all of the good takes of work print furnished him to date, and members of the Film Unit spent 30 June and 1 July at the contractor's studio viewing them preparatory to giving [REDACTED] the go sign to start cutting the film. Actual editorial began the morning of 5 July. [REDACTED] the director, will spend full time supervising the cutting through the "rough-cut" phase to insure accurate interpretation of the script. It is estimated that the "rough-cut" will be ready for interlock showing around 1 August. *SEPT. 1*

2. DDI Film

25X1A9a [REDACTED] is devoting full time to Parts II and III of the script for this film.

Present plans call for production of Part I to commence in October.

25X1A9a

Pending the start of production on the next film, [REDACTED] 25X1A9a [REDACTED] will be kept busy catching up on shop work which has lagged considerably during their absence. They are capable of performing most routine maintenance on our audio equipment.

25X1A9a

Since [REDACTED] is spending most of his time working for the Office of Security, he will only be called to OTR when an emergency arises which cannot be handled by our shop personnel.
